

The First West Virginia EMS Squad Medical Director Education Conference

presented by

The West Virginia Chapter of the National Association of EMS Physicians

FREE VIRTUAL EVENT
April 7, 2021
Noon – 4:00 p.m.

Join us for this half-day educational conference where we will challenge the current trends in Emergency Medical Services in West Virginia. Our aim is to integrate EMS, in-hospital treatment, and medical direction for a more cohesive and successful patient care environment.
